Project Description

USAID/Malawi is embarking on a new strategy development process and setting a vision for a new strategy that builds on the current multi-sectoral approach to the complex, entrenched development problems facing Malawi.

Key Tasks for Summarizing Sector Progress, Evaluations, and Recommendations

- (1) Summarize evaluation findings, in close coordination with USAID/Malawi's monitoring and evaluation team;
- (2) Compare original evaluation plans to summarize progress and identify gaps;
- (3) Complement gaps identified with secondary literature review;
- (4) Identify prioritized recommendations based on available information; and
- (5) Finalize short discussion paper(s) containing the prior four elements for each sector (education, health, environment/agriculture and governance).
- (6) Other duties, as time permits.
